

AKGEC SKILLS FOUNDATION

Training Program Details

CENTRE NAME- AIA-CIA

Training/Course Title:	Integrated Automation	
Target Audience:	Industry Professionals	
Fee:	11000/-	
Duration:	40 Hrs.	
Module	• Integrated Automation & Sensors – Sensor selection, principles, and industrial applications. • Photoelectric, ultrasonic, proximity sensors, and PLC wiring. • SIEMENS PLC Programming – S7-1200/1500, ladder logic, FBD, and TIA Portal fundamentals. • SIEMENS HMI & SCADA Development –applications, tag database, graphics, alarms, and events. • Electro-Pneumatics & Control – Direct/indirect control, logic operations, sequencing, and troubleshooting. • Drives, Motion & Networking – Drive fundamentals, motion control, OSI model, and industrial networking. • Integrated Industrial Applications – PLC, SCADA, HMI, drives, protocols, PID, VSD, and energy meter integration.	
Outcome:	• Understand SCADA–HMI graphics, alarms, and PLC interfaces. • Knowledge of SIEMENS S7-1200/1500 PLCs using FBD for drives, motion, and pneumatics. • Apply industrial sensors with correct principles, wiring, and integration. • Implement & Troubleshoot integrated PLC–SCADA–HMI systems with electro-pneumatic sequence control.	
Certification:	The participants, on successful completion of above trainings, will receive joint certification by AIA & AKGEC.
