

AKGEC SKILLS FOUNDATION

Training Program Details

CENTRE NAME- AIA-CIA

Training/Course Title:	Integrated Automation	
Target Audience:	Students	
Fee:	7000/-	
Duration:	40 Hrs.	
Module	• Introduction to automation, its need, types, and system elements. • Overview of integrated automation and sensors, including selection, principles, and industrial applications. • Hands-on experiments with sensors (photoelectric, ultrasonic, proximity) and PLC wiring. • Fundamentals of SIEMENS PLCs (S-1200 and S-1500) programming, ladder logic, and TIA Portal techniques. • SIEMENS HMI introduction and application development. • Electro-pneumatics: direct/indirect control, logic operations, sequence control, and fault troubleshooting.	
Outcome:	• Understanding of automation systems, sensors, and industrial applications. • Hands-on experience with sensors, PLC wiring, and HMI development. • Ability to operate TIA Portal and programming of SIEMENS PLC (S-1200 & S-1500). • Skills in electro-pneumatics, logic control, sequence operations, and troubleshooting.	
Certification:	The participants, on successful completion of above trainings, will receive joint certification by AIA & AKGEC.
