

AKGEC SKILLS FOUNDATION

Training Program Details

KUKA ROBOTIC CENTRE OF EXCELLENCE

Training/Course Title:	Robot Application Programming – Arc Welding	
Target Audience:	Working Professionals	
Fee:	Rs 25000	
Duration:	40 Hrs	
Module:	▪ Recapitulation of basic training ▪ Use of welding variables ▪ Basic principles of arc welding technology ▪ KUKA Arc Tech Basic technology package ▪ Creating a welding program using KUKA Arc Tech-commands ▪ Weaving Programming ▪ Welding with PTP and LIN motions using Input & Output Command ▪ Modifying robot weld- and motion programs ▪ Develop a Program using logic programming ▪ Setting up, calibrating, and setting a workpiece base ▪ Troubleshooting	
Outcome:	▪ Practical understanding of Robotic Arc (MIG) welding operation and troubleshooting. ▪ Understand the communication topology between the Robot and the welding power source (Master/Slave Concept). ▪ Understand the application of the Arc Technology command ▪ Gain knowledge of system and welding variables and their requirements.	
Certification:	Upon successful completion of the above training, participants will receive certification from AKGEC Skills Foundation.
